GARY FOSTER:

Pragmatic.
Reliable.
Successful.
Specialised.

Maddens Lawyers Gary Foster heads our Personal Injury team and is Western Victoria's most experienced personal injury lawyer.

He is an Accredited Personal Injury Specialist with the Law Institute of Victoria, and has spent more than 30 years representing ordinary people injured at work, on the road, or suffering from another's negligence.

If you've been injured and can prove it is someone else's fault, Gary may be able to help you claim compensation for:

- > Lost past and future earnings
- > Past and future medical bills
- > Past and future suffering

Importantly, Gary will make the process easy to understand. While it may not be quick – most claims can take up to 18 months to be finalised – you will always have clear direction on what's happening and what's required.

No legal jargon. No confusing language or letters. No surprises. Clear advice. Decisive direction.
